Team JSHD - TA Meeting 11/18/2021

- Haven't touched based much since A2
    - Team members have been busy with other courses
- Went over A3 questions and details
    - Due Dec 3
        - Due early to encourage students to prepare for presentation on Dec 6
        - Contains a postmortem of A2 -- similar to postmortem of A1
    - Presentation on Dec 6
        - During class time
        - Probably to be presented in front of other students in class
- TA reminds the team to try to maintain regular meetings; this encourages consistent progress throughout the project
    - This course/project is more about the process rather than the result
